

NO. 5:19-CR-178-1H

V.

Defendant.

As home confinement requires supervision, and as supervised release may only follow imprisonment, the court committed a technical error in the pronouncement of sentence. Under Rule 35 of the Federal Rules of Criminal Procedure, "[w]ithin 14 days after sentencing, the court may correct a sentence that resulted from arithmetical, technical, or other clear error." The court, finding a technical error, therefore clarifies the sentence as follows:

Defendant shall be placed on probation for a period of 17 months, with the first 5 months to include home detention with a curfew of 7pm to 8am, but without electronic monitoring.

All other aspects of the sentence remain as imposed at sentencing. The clerk shall enter judgment accordingly.
